Impodimo Game Lodge

Carved from the hillside, eight glass fronted luxury chalets line a natural spring and a private deluxe family unit. Each enjoying striking views either from within or from the outdoor shower. The lodge enjoys spectacular vistas extending as far the eye can see. Your choice may be to visit in summer and laze on the pool deck with a chilled chardonnay. Or maybe even a winter safari – retire to the library with a cognac or stroke the fire in your suite, gaze out at the stars before drifting away with vivid images of unrestricted close encounters with Africa's big game.
