Kuzuko Lodge

Hidden within the cavernous bushveld of the Sunday River region of the Eastern Cape lies the Addo Elephant National Park. It is here where the evening's silence is broken by the howl of the black-backed jackal and the francolins' call heralds each new dawn. With uninterrupted views of the Karoo Plains and the Zuurberg Mountains, Kuzuko Lodge lies in a private concession to the north of the Addo Elephant National Park, the third largest national park in South Africa in a malaria-free region.
