## *Ntwala Island Lodge*

*Surrounded on all sides by seductively wild and powerful waterways, Ntwala Island Lodge is the most pristine and secluded Chobe destination. Intricate floating walkways link an untouched Namibian cluster of islands within the Mambova rapids where two mighty African rivers – the Zambezi and Chobe converge, only 80km upstream from the Victoria Falls and where white sands and palm trees add to the romance - belying the fact that this lodge is in Africa! You have your own guide and can enjoy privately guided big game activities.*
